No. 115-769) on the bill (H.R. 6157) making appropriations for the Department of Defense for the fiscal year ending September 30, 2019, and for other purposes, which was referred to the Union Calendar and ordered to be printed.

The SPEAKER pro tempore. Pursuant to clause 1, rule XXI, all points of order are reserved on the bill.

HIGHLIGHTING OPPORTUNITY ZONES IN NORTH CAROLINA'S FIFTH DISTRICT

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, I rise to highlight the recently designated opportunity zones in North Carolina's Fifth District. Last month, the U.S. Treasury approved 22 opportunity zones in North Carolina's Fifth District as part of the Tax Cuts and Jobs Act. Referring to areas with untapped economic potential, The New York Times called the provision “the first new sub-

stantial Federal attempt to aid those communities in more than a decade.”

With new incentives for long-term capital investment, opportunity zones allow State and local governments to facilitate increased economic development in rural and suburban areas often overlooked for new investments as companies are drawn to thriving metropolitan areas.

Thanks to the tax cuts and regulatory relief delivered by this united Republican government, the American economy is booming, and opportunity zones will spread that prosperity to communities in need of new capital to create wealth and grow.

ZTE POSES A THREAT TO OUR SECURITY

(Mr. McEACHIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. McEACHIN. Mr. Speaker, ZTE, the Chinese telecom corporation, poses a clear threat to our security. The Pentagon has banned the sale of ZTE devices on U.S. bases, saying they “may pose an unacceptable risk to the Department's personnel, information, and mission.”

Similarly, there is no dispute that ZTE violated sanctions designed to pressure Iran and North Korea. In April, the Department of Commerce instituted appropriate penalties.

Now, for transparently political reasons, President Trump has reversed those penalties, giving ZTE a new lease on life.

As elected officials, one of our most basic responsibilities is to keep Americans safe. In granting ZTE an undeserved reprieve, the President did just the opposite. The failure is dangerous and unacceptable.

Last week, the Senate approved a bipartisan NDAA amendment to restore the penalties President Trump revoked. I am pleased by their success, and I will strongly support efforts to maintain that language in the coming NDAA conference. I urge my colleagues on both sides of the aisle to do the same.

Politics needs to stop at the water's edge. Congress can and must do what the President will not.

PAKISTAN IS NO ALLY OF THE USA

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, yesterday, Lieutenant General Austin Miller, the nominee to lead our forces in Afghanistan, testified before the Senate that the biggest obstacle to success in Afghanistan is Pakistan.

He echoes the same frustrations the President expressed earlier this year and what others in this Chamber, including myself, have said for years,
